Read to Feed

Join us this year for Read to Feed, a cool summer reading program for 1st-8th grade that helps people living in poverty in developing countries make a good life for themselves. Mrs. Buckner and Lucy Schmidt are coordinating the project.

The object of the project is to get friends, family, and neighbors to sponsor you for reading this summer. With the money raised, we will buy animals through Heifer International to give to families in developing countries. The families will raise these animals and use the products they make to help with shelter, clothing, food, and education. Questions, contact Lucy Schmidt at lucys1001@gmail.com.

Parent Survey

As part of SJ Accreditation renewal, we are asking parents to complete a parent survey which will be emailed to you this week. If you do not have access to email, please notify the school office.

Do I have to come every session? Although we would love for you to...No, you can come and go as it is convenient for your life. Each session is something new!
