Third Grade Store

Students are invited to shop at the Third Grade Store on Wednesday, March 15. The store is the culmination of the third grade economics unit.

Students who wish to participate may bring money, so that they may shop. A "Bill My Account" form is attached. Parents can authorize how much their children may spend and students will receive their shopping tickets the day of the store. If students prefer to bring cash, please send it early so that the cash can be exchanged for shopping tickets. Items will range in price from \$0.25 to \$3.00 each. The students will use their tickets to purchase items. Each ticket is worth \$.25. There will be candy, plants, crafts, toys, jewelry, etc. All items are purchased or made by our third graders.

The proceeds from the third grade store will go to the St. John Building Fund.
