### Additional Notes:

- **Supplies do not need to be labeled with names. The supplies will be community supplies.**
- Children should wear rubber soled shoes for good traction. Athletic shoes are the best.
- You can purchase your kindergarten's supplies through the school or on your own. If you purchase supplies through the school, the school will deliver your supplies to your child's classroom.
- Even if you purchase supplies from the school, you will still need to provide from home a regular size backpack large enough to hold a large library book.
