

ST. JOHN CATHOLIC SCHOOL WEEKLY NEWSLETTER

October 26th, 2020

Scholastic Book Fair

This year we will have an online Scholastic book fair. The fair will run from October 26th - November 8th. Here is the link to our homepage if you would like to order. The book fair will open up on October 26th for purchases.<https://www.scholastic.com/bf/stjohnschool2>

Virtue of the Month

The Virtue of the Month for October is Patience. I know the teachers have been talking to students about this in their classes as we explore how this applies to our faith. I would encourage you to talk to your child about how they incorporate the virtue of Patience into their life.

Walkers & Bike Riders Lists

If your child will be riding a bike to and from school or walking home after school, they need to be on our approved list. Parents need to email Elizabeth Rodas at erodas@sjeagles.com to add their child to the list. You only need to do this once to add them to the list. You have to do this every year, so if your child was on the list last year, you still have to notify us again this year.

Parent Conferences

Parent Conferences this year will be held on October 28th and 29th. Conferences this year will be held via Zoom meetings for each teacher. Conferences will run from 9AM-2PM and 5PM-9PM on Wednesday and Thursday. There will be no school on Friday, October 30th.

School Spirit Day

Orange and **Black Day** will be Tuesday, October 27th. Students are encouraged to wear Orange and Black or a School Appropriate costume. Costumes should not be gory and have school appropriate writing on them. Be creative and have some fun! StuCo is looking forward to seeing all the great costumes.

PRESCHOOL

Our preschool is back in person and we have some openings. If you know of anyone that is looking for a great preschool, please have them reach out to Amy Cast (acast@sjeagles.com) or myself (creffett@sjeagles.com). They can always call the school at 785-843-9511.

PARENT LEARNING ASSURANCES

If you have not completed the Remote Learning Assurances form please do so as soon as possible. This document is a one time document that will replace the educational logs. Here is the link to complete the form -

St. John School Fundraiser at Mr. Brews

StuCo Food Drive

StuCo will be doing a food drive during the month of November.

Students are encouraged to bring in canned food items or non-perishable food items. The class that collects the most items per student will win a pizza party. Students that are learning remotely can still contribute by dropping off items for their class. Our food drive will run from November 2nd - November 30th. Donations will be given to Just Food.

Middle School Youth Group

Mrs. Solomon is our new middle school youth ministry sponsor.

They are beginning to meet and would love to have you join them. If your child would be interested in joining, please email Mrs. Solomon at csolomon@sjeagles.com.

REQUEST FOR SUBS

We are looking to grow our substitute teacher list. If you might be interested or know of someone who might be interested please contact Mr. Reffett at creffett@sjeagles.com or 785-843-9511.

PARAPROFESSIONAL FOR KINDERGARTEN

I am currently looking for a paraprofessional for our Kindergarten classroom. This position would begin in January when we return from our Christmas break. If interested, please email Mr. Reffett at creffett@sjeagles.com or call 785-843-9511 for more information.

AMAZON SMILES

Do you shop through Amazon? Did you know that you can shop through Amazon and help support the school? Through the Amazon Smiles program you can link your account to St. John. It is as easy as that to help St. John!

NEW EMAIL ADDRESS

This summer we have transitioned to a new email account for each teacher and staff member of the school. The new email is their first initial, full last name, and then @sjeagles.com. For example, my new email is creffett@sjeagles.com. Please be sure to use this new email address so communication can happen as quickly as possible. Our old email address will still work for a while but we may be inconsistent in checking it.

Flu Shots

With flu season beginning, I would strongly encourage everyone to get a flu shot. This winter is going to be difficult to navigate and every extra precaution that families can take will help us all.

Reopening & Closing of the Building

As we work to bring more students back into the building, I want everyone to keep in mind that we may at times have to move a class, classes or the whole building back to remote learning if the circumstances arise. We will continue to monitor community data, student and teacher absenteeism and the amount of PPE supplies we have on hand for student and staff daily use.

PRAYERS & THANK YOU'S

Prayers for our teachers as they transition to a new in-person and remote learning environment for students

Continued prayers for Tom Kellogg.

As always, please send us any prayers or messages or gratitude that you would like for me to include in the weekly newsletter.
